Buyer must provide Seller all information necessary to permit Seller to proceed with work immediately and without interruption, including all information necessary to arrange for shipment of the Goods, if applicable. Seller shall not be held liable for any delay in delivery and/or shipment of the Goods.

In the event Buyer requests delay of the delivery and/or shipment of the Goods beyond fifteen (15) days from the date specified in the Agreement, Seller, at its sole discretion, shall invoice Buyer for the Goods and maintain the Goods for Buyer at Seller's plant until such time that Buyer is ready for delivery and/or shipment. In the case of jointed pipe, Seller retains the right to charge Buyer reasonable storage fees for such period during which the Goods are stored by Seller for Buyer and in the case of spoolable pipe, (i) if the Goods are stored by Seller for more than three (3) months, Buyer will be charged \$750 per month for reel rental, and/or (ii) Buyer may choose to store reels at their property, at which point Buyer will be required to purchase each reel at an amount to be determined at time of purchase. Notwithstanding any delivery term agreed to by the parties to the contrary, the Goods shall be deemed delivered by Seller at such time as Seller places the Goods in storage. Buyer accepts and shall bear all risk of loss of, or damage to, the Goods while they are stored by Seller.

5. **PAYMENT:** All Orders are subject to final approval by Seller, which may require full or partial prepayment before any Order is accepted. Full payment for the Goods delivered and/or shipped is due within thirty (30) days after delivery and/or shipment date and will be paid in U.S. Dollars. Payment for goods destined to foreign countries shall be made through an irrevocable letter of credit to be established by the Buyer at Buyer's expense including any bank confirmation charges. All letters of credit shall be in favor of, and in a form acceptable to, Seller. All letters of credit shall be maintained in sufficient amounts for the period necessary to meet all payment obligations and shall be drawn upon a bank in the United States satisfactory to Seller. All letters of credit shall be established within thirty (30) days after acceptance of any Order and shall permit partial deliveries, acceptance of stale documents, contain the term "documents to be accepted as presented," and shall provide for pro-rata payments upon presentation of Seller's invoices and Seller's certificate of delivery of Goods to Buyer, or of delivery into storage with certification of cause therefore, and for the payment of any termination charges.

In the event Buyer Goods are placed into storage by Seller as provided for in Paragraph 4, Buyer shall make full payment within thirty (30) days of such date.

6. **DELAYS:** The date on which Seller's obligations are to be fulfilled shall be extended for a period equal to the time lost by reason of any delay arising directly or indirectly from (1) acts of God, unforeseeable circumstances, acts (including delay or failure to act) of any governmental

authority (de jure or de facto), war (declared or undeclared), riot, revolution, priorities, fires, strikes, labor disputes, sabotage or epidemics; (2) inability due to causes beyond Seller's reasonable control to promptly obtain instructions or information from Buyer, necessary and proper labor, materials, components, facilities, and transportation; or, (3) any other cause beyond Seller's reasonable control. The foregoing extension shall apply even though such cause may occur after Seller's performance of its obligations has been delayed for other causes. If delay resulting from any of the foregoing causes extends for more than ninety (90) days, and the parties have not agreed upon a revised basis for continuing the work at the end of the delay (including price adjustment), then either party, upon thirty (30) days written notice, may terminate the Order in respect to the unexecuted portion of the work, whereupon Buyer shall pay to Seller the applicable termination charges.

7. SHORT OR DAMAGED GOODS: Claims for Goods delivered short or damaged (which Seller has determined are not due to the fault of the carrier) shall be filed in writing with Seller within thirty days (30) after the date of delivery and/or shipment. All claims for shortages shall detail delivery and/or shipment weights and the Buyer's method of counting the Goods received. In the event Buyer does not submit the written claim for short or damaged Goods to Seller within said thirty (30) day period, such Goods shall be deemed accepted by Buyer.

8. CANCELLATION OR CHANGE ORDER CHARGES: Neither Buyer nor Buyer's customer shall cancel or change any Order except upon written notice and payment to Seller of all reasonable costs arising therefrom, determined on the basis consistently observed by Seller and in accordance with sound accounting principles.

9. RETURNABLE GOODS: The Buyer may return Goods to Seller's original EXW delivery point for credit. Credit will be issued, less any required inspection and repair charges, in accordance with the provisions of Seller's return policy as published from time to time in Seller's catalog and the following provisions:

- (a) Buyer must receive written approval from Seller for authorization to return Goods. Buyer must prepay freight on all goods returned to Seller's designated EXW delivery point.
- (b) Seller has the right to inspect and reject any Goods returned that are not in salable condition or cannot be reconditioned to a salable condition.
- (c) Goods must be returned within twelve (12) months of the invoiced date.
- (d) All Goods designed and manufactured to Buyer's or Buyer's customer's specifications and/or all specialty fabrication Goods are not subject to return.

Seller's return policy may specifically limit the percentage of the Order that may be returned by Buyer for credit, and may reflect restocking charges applicable to items eligible for return credit.

10. GAUGES AND TOLERANCES: Unless otherwise specifically agreed to by Seller in writing, all Goods will be manufactured to standard commercial tolerances in effect at date of manufacture. Orders for special gauges, tolerances, or nonstandard fixtures are subject to additional charges, and Seller reserves the right to request payment from Buyer in advance of Seller's commencement of manufacture.

11. SAMPLES: Upon Buyer's request, Seller may submit samples of nonstandard Goods being manufactured for a specific purchase order. However, Seller reserves the right to make changes in any Goods for which samples have been submitted without notice at any time and without any requirement that the changed Goods conform to any samples provided.

12. TRADEMARKS: Nothing herein, nor implied by the sale of the Goods to Buyer or Buyer's customers, shall be interpreted as granting

Buyer or Buyer's customers a license to utilize any trademark, service mark, or other proprietary mark of Seller.

13. RESTRICTION ON ASSIGNMENT: Neither Buyer nor Buyer's customer shall assign any right or delegate any duty hereunder without the prior written consent of Seller. Any assignment or delegation effected in contravention of the provisions of this paragraph shall be null and void.

14. FAIR LABOR STANDARDS ACT: Seller represents that all goods supplied by Seller hereunder were, or will be, supplied in compliance with the applicable requirements of the Fair Labor Standards Act of 1938 as amended.

15. RISK OF LOSS AND TITLE: Title and risk of loss to the Goods shall pass to Buyer upon the earlier of (a) Seller's delivery of the Goods, or (b) invoicing by Seller for the Goods where Buyer is unable to accept delivery and/or shipment on the scheduled date. Seller retains a security interest in the Goods until the purchase price has been paid, and Buyer agrees to perform upon request all acts required to secure Seller's interest. Seller accepts no responsibility for any damage, shortage or loss in transit. Seller will attempt to pack or prepare all shipments so that they will not break, rust or deteriorate in shipment, but Seller does not guarantee against such damage. Claims for any damage, shortage or loss in transit must be made by Buyer on the carrier.

16. REGULATORY COMPLIANCE: By acceptance of delivery and/or shipment under these Terms and Conditions, Buyer warrants it has complied with all applicable governmental, statutory and regulatory requirements and will furnish Seller with such documents as may be required. Seller warrants and certifies that in the performance under these Terms and Conditions, it will comply with all applicable statutes, rules, regulations and orders, including laws and regulations pertaining to labor, wages, hours and other conditions of employment, and applicable price ceilings if any. Seller will not provide any certification or other documentation nor agree to any contract provision or otherwise act in any manner which may cause Seller to be in violation of applicable United States law, including but not limited to the Export Administration Act of 1979 and regulations issued pursuant thereto. All orders hereunder shall be conditional upon granting of export licenses or import permits which may be required. Buyer shall obtain, at its own risk, any required export license and import permits and Buyer shall remain liable to accept and pay for the Goods if licenses are not granted or are revoked.

17. WARRANTY: THIS SECTION 17 SETS FORTH BUYER'S SOLE REMEDY AND SELLER'S EXCLUSIVE OBLIGATION WITH REGARD TO NON-CONFORMING GOODS AND/OR SERVICES PERFORMED BY SELLER. Seller's responsibility under this warranty should the Goods of its own manufacture be found to be defective shall be limited to the repair or replacement of the Goods, at Seller's option, that prove defective in material or workmanship within one (1) year from the date of delivery by Seller, provided that Buyer and/or Buyer's customer gives Seller prompt notice of any such defect and satisfactory proof thereof. All defective Goods must be returned to Seller's factory or other repair facility as designated by Seller. Seller will provide repaired Goods or replacement

Goods to Buyer and/or Buyer's customer freight prepaid to the delivery point provided for in the original Order. Goods returned to Seller for which Seller provides replacement under this warranty shall become the property of the Seller. No costs will be reimbursed to Buyer and/or Buyer's customer for any repairs not authorized in writing or carried out by Seller. Defective Goods repaired or replaced by Seller hereunder shall be warranted only for the remaining period of the original warranty. Goods manufactured by others are sold "as is" except to the extent the manufacturer honors any applicable warranty made by the manufacturer. Any such third party warranties provided on Goods not manufactured by Seller are assigned to Buyer, without recourse, at the time of delivery, provided such warranties are assignable.

Sole Goods Remedy: Buyer and/or Buyer's customer's sole remedy under the warranty provided above for Goods manufactured and supplied by Seller hereunder shall be the replacement or repair, at Seller's sole option, of any Goods that Seller shall determine to be defective. Buyer's and/or Buyer's customer's sole remedy under the warranty provided above for Goods manufactured by others which are found to be defective shall be limited to the applicable warranty made and honored by the manufacturer.

In the event the Services performed by Seller fail to conform with such warranty and Buyer notifies Seller of such non-conformance prior to Seller's departure from the worksite, Seller shall re-perform that part of the non-conforming Services. SELLER DOES NOT WARRANT THE INSTALLATION OF THE GOODS BY THIRD PARTIES NOR SHALL SELLER BE RESPONSIBLE FOR THE PERFORMANCE OR WORKMANSHIP OF ANY PERSON OR ENTITY OTHER THAN SELLER (INCLUDING BUYER OR BUYER'S CUSTOMER) ENGAGED IN INSTALLATION OF THE GOODS OR INSTALLATION SUPERVISION.
